JUDGMENT

Even though petitioner's case is that vehicle seized with the load of sand is covered by pass, Government Pleader reported that the vehicle did not go through the approved route and correction was noticed in the pass. In any case since adjudication is provided by the District Collector, W.P. is disposed of with direction to the second respondent to complete the adjudication within one month from the date of production of a copy of this judgment by the petitioner. There will be direction to the third respondent to release the vehicle with the load of sand on petitioner furnishing bond with two solvent sureties for rupees twenty five thousand and after making endorsement in the RC book that release of the vehicle is subject to adjudication by the Collector.
